## Durham Delays Opening City Government Offices Tuesday

*Solid Waste Curbside Collections Remain Suspended Due to Icy Road Conditions*

**Parking:** City employees who usually use the free lots may park for free in the Durham Center Garage or the Church Street garage. Pull the ticket when entering, and when leaving, give the ticket and show your Employee ID to the attendant on duty.

DURHAM, N.C. – On Tuesday, January 10, the opening of Durham City Hall and other non-emergency City operations will be delayed until noon due to continued icy conditions on many secondary and neighborhood streets.

The [Solid Waste Management Department](#) has also suspended curbside trash, recycling, yard waste and bulky item collections on Tuesday, January 10. Monday and Tuesday customers are asked to leave their carts on their curb for collection beginning on Wednesday, January 11, road conditions permitting. A decision on curbside collections for Wednesday and the remainder of this week will be made on Tuesday afternoon. The [Waste Disposal and Recycling Center](#) will remain closed on Tuesday, January 10 as well. Any questions or concerns regarding solid waste collection schedule changes should be directed to [Durham One Call](#) at (919) 560-1200.

All [Durham Parks and Recreation \(DPR\)](#) facilities and recreation centers will also remain closed on Tuesday, January 10. Call the DPR weather line at (919) 560-4636 and select option #9, or visit DPR's [website](#) as well as their [Facebook](#) and [Twitter](#) pages for future updates.

Residents and City employees are encouraged to stay up-to-date on information about City operational hours, program or service changes, trash and recycling collection delays, and more through the following platforms available on the [Durham Information Network](#):
